Visit to Canary Wharf - 14th January 2019

What a fascinating evening! A group of Liveryman were shown round the Canary Wharf show suite on the 30th floor of One Canada Square on 14th January by Richard Archer, Head of Leasing at Canary Wharf Group. We learnt about the proposed new phases for both Canary Wharf estate and Wood Wharf and drinks and nibbles were enjoyed afterwards courtesy of Canary Wharf Group.

The Master and Past Master William Hill hosted the January meeting of the Financial Services Group of Livery Companies at Goldsmiths' Hall. This group's primary role is to coordinate the efforts of the member companies in supporting the Lord Mayor and City Corporation in promoting London's financial services sector. The Master introduced Sir Stuart Lipton who spoke eloquently about the changing work place and 22 Bishopsgate and which was followed by an animated q and a session.

Court & Livery Dinner - 29th January 2019

An informal Court & Livery Dinner was held in the historic surroundings of Apothecaries' Hall on 29th January. An excellent meal was enjoyed by all and Paul Finch, OBE, Founder and Director of The World Architecture Festival, gave an illuminating talk on the influence of architecture on the history of London with reference to the £4 billion refurbishment of the Palace of Westminster and London's ability to rise like a phoenix from the ashes of disaster.
