WEBINAR

FUTURE OF THE WORKPLACE

Wednesday 15th July 2020
5pm – 6pm

COVID-19 has resulted in an unprecedented 'Working From Home' experiment. How will this shape the future of the Workplace and the City of London?

Using data from one of the largest global surveys into people's changing attitudes, the world-renowned Workplace expert, Despina Katsikakis of Cushman & Wakefield, will set out the vision for the future.

A presentation will be followed by a Q&A session.

To register please email clerk@surveyorslivery.org.uk

Details of the webinar will be sent following registration.
