CRUISE AND DINE WITH THE LIVERY 28 JUNE 2022

AND SEE LONDON FROM A UNIQUE PERSPECTIVE

Date: Tuesday 28th June 2022

Time: 6.30pm arrival.

Assembling point: Paddington Basin

Cost: Subsidised cost of £75/head including meal and wine

The Master invites you to join him for an exclusive cruise along the Regent's Canal. We will take in iconic landmarks from a different water-borne perspective such as London Zoo and Regent's Park and take in hidden gems such as the Maida Hill Tunnel from our vantage point on the Prince Regent narrowboat. We will be sustained along the way with a drink on arrival, a meal (fish based) and half a bottle of wine or beer and water. There will be a cash bar afterwards as well. The Prince Regent will embark from Paddington for a leisurely 2.5 – 3 hour cruise to Camden and back.

We should leave at 6.30pm and be back at around 10pm.
